SUNDAY

OF

This is the hand of Justice. It reproves those people who have strayed from the path of truth and good living. Honest men and righteous men have chosen another hand; one which is not pictured here. They ever need the reproof of Justice, for they have chosen the Hand of God. Each man is free to decide which hand will lead him. Some never see the Hand of God, and their way through life is barren and pointless. But with the help of the Church, you can find the right path. By attending its services and joining in its work, your way through life can be made straight and happy. Take the Hand of God, and you need never fear stern Justice. THE CHURCH FOR ALL ...
